

Modern Slavery statement

Integral Health Solutions Ltd is committed to upholding the requirements of the Modern Slavery Act 2015. The company keeps current guidance under review as we want to make a positive statement about our current working practices that are in line with the Act. This is part of our social responsibility not only to our clients but to the people we work with and our supply chain.

The prevention, detection and reporting of modern slavery in any part of the company's business or supply chain is the responsibility of all those working for the company or under the company's control.
